What is a Sub-processor? | *Qu'est-ce qu'un Sous-traitant ?*

A Sub-processor is the natural person or legal entity that processes or may process personal data on behalf of the Data controller.

Un Sous-traitant est la personne physique ou morale qui traite ou peut traiter des données personnelles pour le compte du Responsable du traitement.

What is a Data controller? | *Qu'est-ce qu'un Responsable de Traitement ?*

A Data controller is the natural person or legal entity that, alone or jointly with others, determines the purposes and means of the processing of the personal data.

Un Responsable de Traitement est la personne physique ou morale qui, seule ou conjointement avec d'autres, détermine les finalités et les moyens du traitement des données à caractère personnel.

What is Splio? | *Qu'est-ce que Splio?*

Splio is a Sub-processor, processing the data collected by its Clients who are Data controllers.

Splio est un Sous-traitant, traitant les données collectées par ses Clients qui sont des Responsables de Traitement.

Splio is a Data Controller for the data collected by Splio for the purposes of its own activities.

Splio est un Responsable de Traitement pour les données collectées par Splio pour les besoins de ses propres activités.

Information about Splio's Sub-processors | *Informations sur les Sous-traitants de Splio*

For all Clients who have executed the standard personal data Processing Agreement ("DPA") or the standard SaaS Services Agreement of Splio (the "Contract"), Splio provides a written prior notice, via its CRM tool, of any updates to the list of Sub-processors that are utilized by Splio to deliver the services.

Pour tous les Clients qui ont signé le Contrat standard de traitement des données personnelles ("DPA") ou le Contrat standard de services SaaS de Splio (le "Contrat"), Splio fournit une notification préalable écrite, via son outil CRM, de toute mise à jour de la liste des Sous-traitants utilisés par Splio pour fournir les services.

Pursuant to the DPA or Contract, a Client may object in writing to the processing of its personal data by a new Sub-processor of Splio within thirty (30) working days following the update information and such objection shall describe Client's reason(s) for objection. If Client does not object during such time period the new Sub-processor(s) shall be deemed accepted.

En vertu du DPA ou du Contrat, un Client peut s'opposer par écrit au traitement de ses données personnelles par un nouveau Sous-traitant de Splio dans un délai de trente (30) jours ouvrables suivant la mise à jour des informations et cette opposition devra décrire le(s) motif(s) d'opposition du Client. Si le Client ne s'oppose pas pendant cette période, le(s) nouveau(x) Sous-traitant(s) sera considéré comme accepté.

If a Client objects to the use of a new Splio's Sub-processor, the Parties shall meet within eight (8) working days from the date of the refusal in order to evaluate an alternative solution; if the Client maintains his refusal, and only in this case, each Party may terminate ipso jure (without any formalities) the DPA and the Contract with a three (3) months period notice sent by registered letter with acknowledgment of receipt. Splio will provide our Clients with notice of any new Sub-processors, along with posting such updates here.

Si un Client s'oppose à l'utilisation d'un nouveau Sous-traitant de Splio, les Parties se rencontreront dans un délai de huit (8) jours ouvrables à compter de la date du refus afin d'évaluer une solution alternative ; si le Client maintient son refus, et uniquement dans ce cas, chaque Partie pourra résilier de plein droit

(sans aucune formalité) le DPA et le Contrat moyennant un préavis de trois (3) mois adressé par lettre recommandée avec accusé de réception. Splio informera ses Clients de tout nouveau Sous-traitant, et publiera ces mises à jour ici.

Security and Confidentiality measures | *Mesures de sécurité et de confidentialité*

In the event where Splio contracts with Sub-processors, Splio undertakes to impose on its Sub-processors all necessary obligations to ensure that the confidentiality, security, availability and integrity of the personal data are respected, and that the data cannot be transferred or lent to a third party, or used for purposes other than those set out in the Contract or DPA, and guarantees that the above mentioned Sub-processors will respect their obligations.

Dans le cas où Splio contracte avec des Sous-traitants, Splio s'engage à imposer à ses Sous-traitants toutes les obligations nécessaires pour assurer que la confidentialité, la sécurité, la disponibilité et l'intégrité des données personnelles soient respectées, et que les données ne puissent être transférées ou prêtées à un tiers, ou utilisées à des fins autres que celles prévues dans le Contrat ou le DPA, et garantit que les Sous-traitants susmentionnés respecteront leurs obligations.
